**Description of activities**

**Oltalom Sport Association** from Hungary organises activities for refugees from Ukraine. Regular training sessions are arranged in Budapest and Fonyód, focused on building the community and supporting their access to education.

The association also provides social services to the refugees, such as assistance in obtaining refugee status, finding employment, accommodation, schooling assistance and donation raising. Oltalom Sport Association has also been among the organisations that have developed the Common Goal initiative aimed at a collective emergency response and long-term support for the people of Ukraine.
