

Name of initiative

No Borders

Leading organisation

International Judo Federation (IJF)

Country

 Hungary

Location of the activity

Hungary, Romania, Poland, Czech Republic and Moldova

Contact

Nicolas Messner, nmessner@ijf.org

Website

<https://noborders.ijf.org>

Type of initiative

Welcome and accommodation

Target group

Ukrainian refugees, all ages

Description of activities

The **International Judo Federation (IJF)** created a special online platform where judo associations ready to welcome and accommodate refugees can apply to be registered.

After a validation process, the clubs are displayed on a map with all necessary contact information. Based on their capacities, the clubs can simply offer judo sessions for free to the refugees or organise full accommodation for the fleeing families.
