Description of activities

As a Hungarian-born sport, and with FITEQ's headquarters in Budapest, the war in Ukraine is very close to home. There are hundreds of thousands of Ukrainians refugees in Hungary and FITEQ wanted to lead through action to encourage as many people as possible to support the efforts of the Hungarian Red Cross, as well as other leading NGOs.

For this specific programme, FITEQ provided essential items to the Hungarian Red Cross, including medical supplies and baby care products, which were then delivered to people across the border in Ukraine.
